## The Family Sports Day

It is that time of the year again. For only for one Sunday a year it is time for you and your family to come and enjoy.

It's not just a sports day it's also a FUN day for the whole family. We have designed to bring fun for all age groups and for people at all fitness levels. It is a day not just for winning but also for having fun. We want to see all of you out there, especially children, mums and dads, baa's and bapuji's.

Here you can meet friends, have fun, have a laugh, be a participant, be competitive, be part of the community, so get your trainers out and come down for a day.

We want you to have a fun and complete day – So we need your cooperation

- We need your Entry forms completed and submitted by 28th August 2011
- We need registration to be done between 9.00-9.30, This will help us keep to a time table so we can have the draws for events ready. This will also enable us to have more time on the fun games for all age groups.
- We need to have stricter number of entrants per event so it will be on first come first bases principle.
